

GREAT NEWS

QUARTERS ARE NO LONGER NEEDED TO DO LAUNDRY!

Now you can make your residents' lives even easier when it comes to laundry.

Bring PayRange, the leading mobile payment service, to your residents. Within minutes your washers and dryers can accept payment in the most convenient, secure, and rewarding way. Once you're upgraded, your room will include signage and sticker decals inviting your residents to download the 5-star rated PayRange mobile app with their smartphones. It takes them seconds to get started.

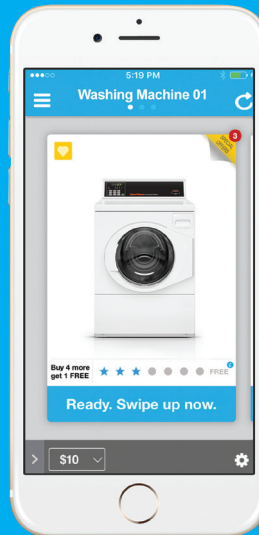

Other benefits of this leading service include:

- Less service call management due to a reduction in coin jams and overfilling machines.
- Easier refunding by crediting the resident's account with a push of a button or coupon code.
- The ability to give free or discounted laundry to residents as a gift or a perk for signing a new lease.
- A live person to answer questions in both Spanish and English. PayRange's customer support system is available 24/7.
- There is no additional cost to your residents for using the service.

We are confident that you and your residents will enjoy this new way to pay. Make PayRange the latest perk of choosing your property to call home.

Came in handy when I didn't have any quarters to wash my clothes in my building.

Wendy Contreras - Nov 9, 2017

Quick set up. washing clothes in minutes. Our building added this option for the W/D and I gotta say I'm pretty happy with it so far. No more begging for quarters at the super-market or Saturday trips to the bank,
